

1. Create a combined study guide using all sources.

The screenshot shows the NotebookLM interface with a notebook titled "Crafting Your All-Star LinkedIn Presence". The main chat area displays a synthesized study guide. At the top, it says "Create a combined study guide using all sources". Below this, a summary states: "This study guide synthesises key concepts from the sources regarding digital identity management, professional communication, online safety, and cloud productivity tools." The guide is titled "Combined Study Guide: New Age Life Skills – IT Skills" and is organized into sections: "I. Internet Basics, Digital Identity, and Safety" and "A. Foundational Concepts". A table is provided for the "Internet" concept.

Concept	Definition/Key Details
Internet	A global system of interconnected computer networks using standard protocols (TCP/IP) ¹ ² . It allows users to communicate, share information, and access services ¹ .

Below the table, there are three prompts for further exploration:

- List three mandatory sections for a strong LinkedIn profile.
- Compare Google Drive and OneDrive regarding free storage limits.
- Define Netiquette and list two common guidelines.

The interface includes a sidebar with source documents, a top bar with "Create notebook", "Share", and "Settings" buttons, and a bottom status bar indicating "9 sources" and a disclaimer: "NotebookLM can be inaccurate; please double-check its responses."

2. Generate flashcards for quick revision.

The screenshot shows a flashcard interface with a dark background and green accents. The question on the card is: "What is the global system of interconnected computer networks that use standard communication protocols called?". Below the question, it says "See answer". Navigation controls include a left arrow, a right arrow, and a "Restart" button. A progress bar at the bottom indicates "1 / 69 cards" and a "Download" button.

The screenshot shows the same flashcard interface, but the card is flipped to show the answer: "The Internet.". Below the answer, there is an "Explain" button. The navigation controls and progress bar at the bottom remain the same, showing "1 / 69 cards" and a "Download" button.

3. Create a concept map or explanation of the topic.
